

Te Pātuitanga Kaiwhakarato Paparua / Dual Provider Partnership Agreement

2022

You will need to accept this DPPA (also known as Service Level Agreement) digitally in TES before beginning your first enrolment application for the year.

Summary:

The DPPA outlines the respective responsibilities of Te Kura and Dual Provider organisations and schools.

The school or organisation retains all legislative accountabilities for its Dual ākonga / students.

Te Kura provides curriculum adaptation and curriculum capability including providing kaiako / teacher feedback and feed forward on work submitted.

The school or organisation needs to help the ākonga to determine a learning programme; and then support their ākonga to meet those expectations for each course they are enrolled in to:

- submit at least one piece of assessable mahi / work by dropbox each month
- and/or have at least one learning conversation each month with their Te Kura kaiako to share and discuss other evidence of their progress in learning. Other evidence of progress can include work towards portfolios and engagement in third party platforms offered as part of Te Kura courses such as Education Perfect and Code Avengers

The school or organisation is responsible for attendance and pastoral care of their ākonga.

Your school's [Te Kura coordinator](#) will need some school time allocated to effectively carry out the tasks.

Kupu Whakataki / Foreword

Aotearoa has a world leading education system. A unique feature of our education system is the opportunity for many ākonga / students to learn at their community school while also learning through Te Kura as a dual ākonga. One of our key roles is to partner with dual providers of education, such as schools, teen parent units, alternative education and activity centres to provide ākonga with a full and balanced curriculum and specialist programming or curriculum adaptation where needed.

Te Kura values the opportunity to work with hundreds of schools and providers across Aotearoa to support the learning and achievement of their ākonga. Over the years we have forged powerful partnerships with schools and providers through our mutual focus on enabling ākonga to have enjoyable and successful learning experiences.

Thank you for choosing to work with us. This partnership agreement outlines how we would like to work with you. If you have any questions or feedback about this agreement, please contact your regional Kairuruku Hononga / Relationship Coordinator.

- will provide ākonga with feedback and feed-forward on their learning and progress. Please let us know if this feedback or feedforward is not helpful or if the work is too easy or too hard. We want to be able to respond swiftly if we have not got it right for ākonga.
- will provide you with help to work in the Te Kura online environment. If you or your ākonga are struggling with our online resources, please let us know so we can help.

- expect that parents/caregivers will be made aware of dual tuition arrangements, prior to the ākonga registration with Te Kura.
